Q&A

Jo Lindley, Surrey LOC

Which LOC are you a member of and what is your role?

I am a member of Surrey LOC.

How long have you been involved in the LOC?

Since September 2020.

What made you decide to get involved in the LOC?

I wanted to get involved with what is happening locally within optics and be aware of changes that may be happening and contributing to local services.

What have you got out of being an LOC member?

I only joined two months ago so it's a bit early to say. I've already met some great people, I'm sure this will help in my own development and it is great to network too within the profession. Currently it's all taking place over Zoom - I'm looking forward to meeting them in real life when we can!

What would you say to anyone wondering whether to get involved with their LOC?

I had been thinking about joining for a while, so far I have enjoyed it and I am sure I will get much out of it going forward.
